CLOUD LEADER

Verified and recommended by Google as an enterprise solution for digital signage.

Arreya has maintained a long partnership with Google and the Chrome ecosystem. The CER program includes a rigorous testing and vetting process by Google, and certifies Arreya is an enterprise grade solution for ChromeOS.

Chrome Enterprise
Recommended

Chrome Enterprise combines the stability and security of ChromeOS with the remote management capabilities required for reliability at an enterprise level. Every aspect of device settings, monitoring, and security can be managed.

“Arreya is easy to use and deploy. It works excellently with the Chrome devices we have deployed in our factory. The cost per channel was the main reason we started using Arreya over other apps. Support and customer service have been great - often feels like we're right next door.”
