ARREYA®
DIGITAL SIGNAGE SUITE

SOLVING VISITOR NAVIGATION

Digital Wayfinding

Implement dynamic digital mapping to guide visitors through your spaces.
From lobby directories to kiosks, discover one platform that provides everything.

INTEGRATING TODAY'S TECHNOLOGIES

Ease visitor anxiety with touchscreen maps and navigations.

Digital wayfinding made easy. Arreya kiosks welcome visitors, show important information, and provides easily accessible floor plans and directories.
✓ Touchscreen kiosks
✓ Interactive directories

✓ Informational mapping
✓ Smart city kiosks

POWERFUL CREATIVE STUDIO

All the tools needed for creating interactive maps and directories without coding.

Freedom to create and update your wayfinding whenever something changes. Create directories for users to search for locations, departments, people, or services. A database can drive page and content creation without having to create each page manually.

✓ Touchscreen content without coding
✓ Database integration auto fills content
✓ Easy remote management of all your screens

EXPAND TO CONNECTED DEVICES

Now share a QR code so visitors can take the wayfinding with them for easier navigation.

Arreya is the only digital signage software service to offer channel-based subscriptions. Finally, per device charges are a thing of the past. Updates are automatic and support is always included.

CLOUD LEADER

Verified and recommended by Google as an enterprise solution for digital signage.

Arreya has maintained a long partnership with Google and the Chrome ecosystem. The CER program includes a rigorous testing and vetting process by Google, and certifies Arreya is an enterprise grade solution for ChromeOS.

Chrome Enterprise Recommended

Chrome Enterprise combines the stability and security of ChromeOS with the remote management capabilities required for reliability at an enterprise level. Every aspect of device settings, monitoring, and security can be managed.

> *Arreya is easy to use and deploy. It works excellently with the Chrome devices we have deployed in our factory. The cost per channel was the main reason we started using Arreya over other apps. Support and customer service have been great - often feels like we're right next door."*
