

Digital Signage for Schools

SOLVING SCHOOL COMMUNICATIONS

ARREYA[®] Digital Signage is a cost effective software service that lets you easily create, edit, and manage your own digital signage. A choice for educators, K-12, high schools, and colleges across the nation. Our schools have multiple digital signage screens in key entryways, hallways, main offices, libraries and cafeterias. The drag-and-drop design of Arreya makes it easy for admins, teachers, coaches, and student clubs to update information with a click.

Streamline your communications into one easy to use platform that engages students, visitors, faculty, staff and more. Built-in design studio and free templates are included along with all the tools you need to personalize your own digital signage content. Deliver dynamic, effective digital communications that motivate and engage students.

Live stream events, schedule content in advance, instantly push alerts, announcements, videos, weather, awards, and achievements. Also easily create interactive touchscreen content with drag and drop interface, no coding needed. Create portrait, landscape, or multiple screen video walls with ease. 30-day trial, training, support and demos are all included.

DEVICE AGNOSTIC CMS SOFTWARE

Use Any Media Player with Arreya

While our CMS software works with nearly any device, there are some media player brands that stand out from the others. We have a list of partner devices we recommend to our customers for reliability and life span. Our team can guide you to the best option for your digital signage program. Troubleshooting and support for these devices is included in our Arreya Care support packages.

SOME OF OUR TECHNOLOGY PARTNERSHIPS

SOME OF OUR DISTRIBUTOR PARTNERSHIPS

“ We were looking for a way to not only inform our students of daily happenings, but also to publicize and showcase all the great things our students are doing. There are a lot of products out there who promote digital signage. We've found... Arreya, to be an all-in-one tool that encompasses all we want to do. Throughout the process, Arreya has been there every step of the way to provide assistance and customized signage to meet the needs of our building. There's no need to look any further than Arreya for all your digital signage needs. ”
