CLOUD LEADER

VERIFIED AND RECOMMENDED BY GOOGLE AS A SOLUTION FOR DIGITAL SIGNAGE.

Arreya has maintained a long partnership with Google and the Chrome ecosystem. The Chrome Enterprise Recommended (CER) program includes a rigorous testing and vetting process by Google, and certifies Arreya is an enterprise grade solution for ChromeOS.

Chrome Enterprise combines the stability and security of ChromeOS with the remote management capabilities required for reliability at an enterprise level. Every aspect of device settings, monitoring, and security can be managed.

“ We were looking for a way to not only inform our students of daily happenings, but also to publicize and showcase all the great things our students are doing. There are a lot of products out there who promote digital signage. We've found... Arreya, to be an all-in-one tool that encompasses all we want to do. Throughout the process, Arreya has been there every step of the way to provide assistance and customized signage to meet the needs of our building. There's no need to look any further than Arreya for all your digital signage needs. ”
